## Chevy Cruze Dimensions

The 2019 Chevy Cruze comes in two body styles including a five-door hatchback and a sedan. While they're both considered compact vehicles, these two body styles have slightly differing exterior dimensions, as you'll see below:

	<i>Cruze Hatchback</i>	<i>Cruze Sedan</i>
<b>Front / Rear Track</b>	60.1 inches / 61.1 inches	60.1 inches / 61.1 inches
<b>Height</b>	57.7 inches	57.4 inches
<b>Length</b>	175.3 inches	183.7 inches
<b>Width</b>	70.5 inches	70.5 inches

Due to the differences in their exterior dimensions and their body styles, the passenger area dimensions of the Cruze Hatchback and the Cruze Sedan differ a little as well. However, both body styles offer plenty of room for up to five passengers to spread out and get comfortable with these interior dimensions:

	<i>Cruze Hatchback</i>	<i>Cruze Sedan</i>
<b>Front / Rear Headroom</b>	38.9 inches / 37.8 inches	38.9 inches / 37.3 inches
<b>Front / Rear Hip Room</b>	53.1 inches / 51.9 inches	53.1 inches / 51.9 inches
<b>Front / Rear Legroom</b>	42.0 inches / 36.1 inches	42.0 inches / 36.1 inches
<b>Front / Rear Shoulder Room</b>	54.8 inches / 53.7 inches	54.8 inches / 53.7 inches

On top of all the passenger space this model has to offer, it also goes above and beyond in terms of cargo space. With the Cruze Sedan, you'll get up to 14.8 cubic feet of cargo space in the trunk of the vehicle, which is plenty of room for groceries, school bags, athletic equipment, and small suitcases.

If cargo space is one of your top priorities, opt for the Cruze Hatchback, which is designed more like an SUV with an extended cargo area and folded rear seats. With all five seats in place, this model sports 22.7 cubic feet of cargo space. Fold down the rear seats to more than double your cargo capabilities with its 47.2 total cubic feet of cargo space.

## Performance Specifications

The 2019 Chevy Cruze offers two engine options for you to choose from, starting with a 1.4L Turbo ECOTEC 4-cylinder engine. This engine works together with a 6-speed automatic transmission and together they manufacture an impressive 153 horsepower and 177 lb-ft of torque.

This engine is also equipped with Continuously Variable Valve Timing technology which also helps to boost its efficiency to an EPA-estimated 28 city / 38 highway MPG.<sup>2</sup>

Ramp up both the power and the efficiency in the Cruze with the available 1.6L Turbo-Diesel ECOTEC 4-cylinder engine. This engine, which works alongside a 9-speed automatic transmission, pumps out an incredible 137 horsepower and 240 lb-ft of torque.

With this engine in the Cruze Sedan, you'll achieve an impressive EPA-estimated 31 city / 48 highway MPG. If you do the math, that means you'll have a maximum highway mileage range of 648 miles with just one single tank of gas.<sup>3</sup>

## Interior Comfort & Space

The 2019 Chevy Cruze is not only spacious, but it's also comfortable beyond compare with a variety of top-notch comfort features to choose from. For starters, you're going to have a wide variety of seat trim options including standard Jet Black Cloth and several luxurious leatherette options like Jet Black/Galvanized and Jet Black/Umber.

You'll also get standard manually adjustable front seats that can be swapped out for 8-way power-adjustable seats that can be heated to three levels. Opt for the heated steering to round out your winter weather arsenal.

You can also opt for an available single-zone automatic climate control system in the upper trim levels of this model. This smart system lets you select a desired temperature and it will do the work for you to maintain it. No need to fiddle with the dials to keep everyone comfortable while you're trying to drive.

## Advanced Technologies

Inside the 2019 Chevy Cruze, you'll find much more than just an expansive amount of space and all the comfort features you could possibly want. This model is also equipped to help you stay connected and entertained on the road.

The Cruze is standardly equipped with a 7-inch diagonal color touchscreen display that offers all kinds of connectivity options starting with Bluetooth® hands-free phone calling and audio streaming. You'll also get smartphone apps via Apple CarPlay™ and Android Auto™, so you can access all your favorite apps right on the touchscreen display.

Enhance your connection capabilities even more with an available built-in 4G LTE Wi-Fi® Hotspot. You and your passengers can use this hotspot to connect to the internet on the go to do all kinds of things on your personal devices. Wirelessly stream from your favorite audio apps through the Cruze's available 9-speaker premium Bose® audio system, which comes alongside a sunroof with the Sun and Sound package.

You can also opt for a Convenience Package, which combines several handy systems including remote start. You'll also get proximity keyless entry capability and push-button start. With this package, you'll be able to get in and start the vehicle without ever taking your keys out of your pocket.

To help you engage with these features—without having to take your hands off the wheel or your eyes off the road—the Cruze is equipped with voice command recognition, as well as steering wheel-mounted controls for audio and cruise control, along with the automatic folding capabilities of the rear row of seats.

## Top-of-the-Line Active Safety

The 2019 Chevy Cruze was designed with the safety of you and your loved ones in mind. That's why this model is decked out with all kinds of advanced active and passive safety features. Standardly, you'll have ten strategically placed airbags, daytime running lamps for enhanced visibility, a tire pressure monitoring system, and a rear vision camera.

You'll also have a standard feature called Teen Driver which is designed to help new drivers create good driving habits right off the bat. With this feature, you can limit a variety of features including cell phone calls, audio volume, and speed. You can also get an in-vehicle report on how your teen driver is doing behind the wheel.

To enhance your confidence in the Cruze even more, you can opt for its many available active safety features including:

- Following Distance Indicator
- Forward Collision Alert
- Front Pedestrian Braking
- Lane Change Alert with Side Blind Zone Alert
- Lane Keep Assist with Lane Departure Warning
- Low Speed Forward Automatic Braking
- Rear Cross-Traffic Alert
- Rear Park Assist

These advanced features are designed to act like a second set of eyes on the road that help you predict collisions and accidents before they happen. A few of them even act automatically to help you get stopped in order to prevent an accident.

## Experience the 2019 Chevy Cruze!
